APPOINTMENT TIMES: It is very important to be on time for your scheduled appointments. We are aware things do come up; emergencies on either end, however, we then get behind and cause delays for every other patient. We attempt to stay on schedule for every scheduled appointment. *If you are unable to be here on time-it is important to call us to let us know. If we have an opening that day we will try to fit you in or you will need to reschedule.*

APPOINTMENT CANCELLATION POLICY: Appointments cancelled with less than 24 hour notice will require a \$50.00 assessment fee. I am aware of the appointment times and cancellation policy.

FINANCIAL POLICY

CLAIM SUBMISSION: We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is based on a contract between you and your insurance company.

PATIENT BILLING: You will be sent a statement for any outstanding balance owed after payment and/or explanation of benefits (EOB) is received from your insurance company/companies. If payment is not received after a 60 day notice, your account will be forwarded to collections where additional fees will apply. Please let the billing office know if you have any difficulties resolving your bill as payment arrangements can be made on a case by case basis. We accept the following payment methods: Cash, Check or Visa/Master Card/Discover. An additional \$50.00 will be added to your statement if the check is returned for insufficient funds. In the event that your insurance company should happen to send payment to you, the patient, we expect that you would forward it to our office to be applied to your balance.

SUPPLIES WE DISPENSE: From time to time it is necessary for us to dispense durable medical equipment (DME) such as splints, braces, and boots. The price we charge may be considerably higher than if you were to purchase them in the open market. Medicare developed a formula that takes into account a stocking fee, professional fitting and counseling on how to make proper use of these devices along with other variables and that is how they determine what we can receive as reimbursement.

PRIVACY STATEMENT: Any information disclosed in your records will remain confidential and will not be used for any other reason except in providing quality care and treatment as well as to submit your claim to your insurance company and contact you as needed.

Assignment of Benefits: I, undersigned, certify that I (or my dependent) have coverage with my insurance as presented and assign directly to Scott G Peters, DPM CWS office all insurance benefits, payable to me for services rendered. I understand that I am responsible for payment of deductibles, copayments and/or non-covered services. I hereby authorize the doctor to release all information necessary to secure payment of benefits. I authorize release of medical information to my insurance carrier, or requested by physicians to provide continuity of care. I authorize the use of this signature on all insurance submissions.

I understand that it is my responsibility to inform the doctor's office if there is a change in health insurance and acknowledge I was provided with a copy of the Notice of Privacy Practice and understand and accept its terms. I have read the above policy regarding my financial responsibility to Scott G Peters DPM CWS office for medical services provided. I agree to pay Scott G Peters DPM CWS any balance unpaid by my insurance carrier for the above patient.
